Contemporary Sofa Series

Ingenuity means nothing if it is without design innovation, exquisite craftsmanship as well as superior quality.

Dedans® all-weather wicker furniture woven by top quality VIRO® and REHAU® PE (UV3000-5000hrs) would be preferred choice for your casual living. Dedans® presents far beyond brilliant furniture, meanwhile it delivers an attitude of tasting lifestyle.

Upscale Aluminum Series

Dedans® proudly uses **TIGER®** powder coating to its aluminum furniture. It is an enduring and non-toxic coating with beautiful texture, which fulfills the highest demands for a refined surface and retaining quality. The 100% aluminum construction in non-toxic coating finish enables this series truly eco-friendly that is not harmful to the earth and completely safe to your health.
