- Double-layer door paint
- High-gloss white polyurethane top coat

# BathGallery

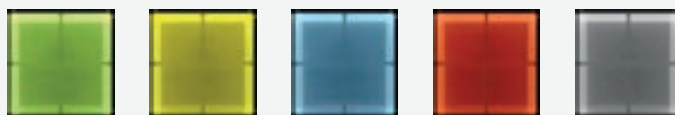

New Development

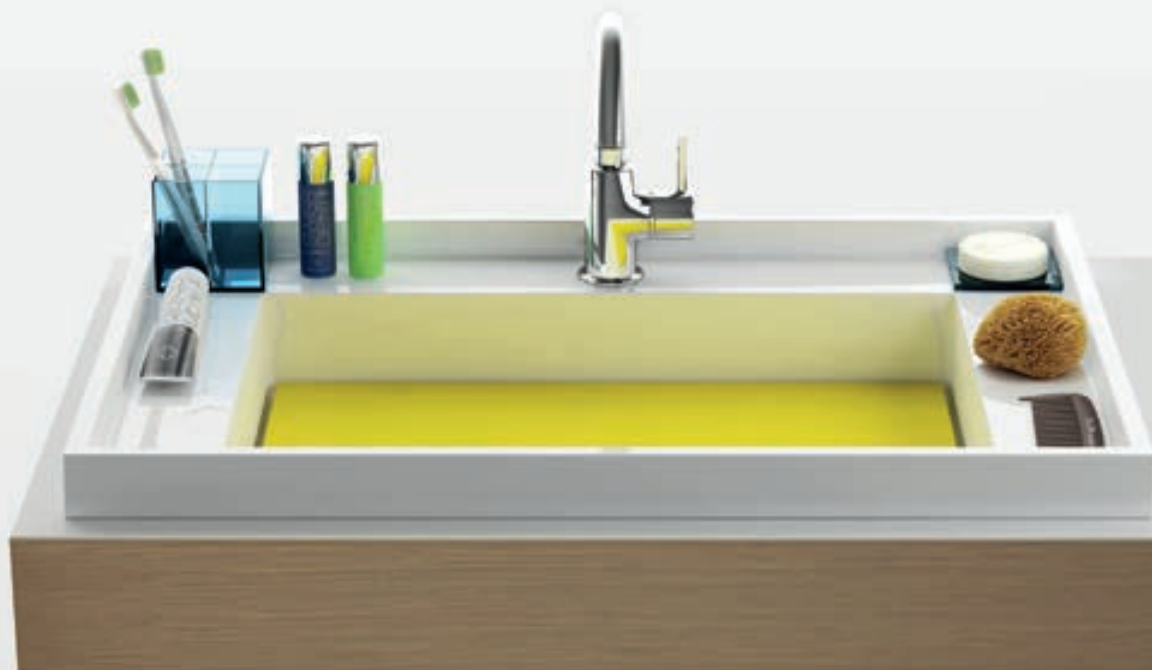

A wash basin of cast marble with accessories create together minimalist harmony where every product has its place and all together create a highly aesthetic composition. The concept is based on a wide lay-by space with raised edge preventing the placed objects from falling and defines their locations.

*2x BathGallery 720 wash basins  
BathGallery bowl with organizer  
BathGallery soap holder*

The wash basin in five colour variants of the replaceable bottom together with accessories (a bowl and a soap holder) create a pure combination of aesthetics and practicality.

# Chrome

The wash basins of cast marble are characterised with their perfectly smooth surface, accurately defined edges and a wide range of shapes. Cast wash basins with Chrome bathroom furniture create a perfectly harmonised modern whole. The swift square shapes of the furniture perfectly match the round wash basin inside shapes. The resulting harmony reflects in other parts of the Chrome bathroom concept as well.
