Productos de excelente calidad, elaborados con materiales seleccionados y técnicas artesanas a la vanguardia de los nuevos tiempos.

Os presentamos los nuevos clásicos contemporáneos.

Following 120 years of history in the world of furniture, lighting and decoration, Mariner enters the 21st Century with a new proposal that lays the foundation for Mariner's future. Mariner Gallery puts forward a product concept that connects with today's new generations, new trends and new emotions, without sacrificing on craftsmanship, design and tradition. These products, based on innovative design, are quite different from Mariner's usual proposals, and yet remain distinctively Mariner in character. These pieces clearly differ from the more classic Mariner lines of design; they incorporate the latest trends from the world of luxury into the Universe of Mariner and stand out for themselves. These products of excellent quality are made with selected materials and artisan techniques, which are at the forefront of a new era.

We hereby present the new contemporary classics.

MARINER

SUPREME LUXURY EXPERIENCE

SINCE 1893

Todo está preparado, un buen traje, la mesa espera con las mejores galas y esperamos con ansias recibir a unos buenos amigos, se vislumbra una buena noche. La casa está acogedora con una luz especial y la brisa que entra por la terraza nos embauca con aromas primaverales. Nos sentimos a gusto y satisfechos, formando parte del entorno, es nuestro reflejo y nosotros nos sentimos orgullosos de formar parte de él.

Everything is ready: a good suit and a dining table awaiting the best galas. We eagerly look forward to welcoming close friends and we are expecting a great night. Our home feels cosy; there is a special light and the gentle breeze from the terrace brings in the scent of spring. We feel at ease and satisfied, we fit in with the environment; it is a reflection of ourselves and we are proud to be part of it.

SUPREME LUXURY EXPERIENCE

SINCE 1893

He llegado del aeropuerto y me encuentro relajada volviendo a casa, entretenida, viendo las calles como si las viera por primera vez, estoy en casa. La luz entra en la habitación y mis reflejos comienzan a dar paso a las primeras sensaciones del día, que momento tan intenso y a la vez placentero, los colores, la luz reflejada en cabezal, el sillón de piel junto a la ventana, tengo ganas de parar el instante, es tal y como había soñado.

I just got to the airport and I feel relaxed on my way back home. I am amused and I observe the streets as if for the first time. I feel at home.

The light floods into the room and my reflections begin to give way to the first impressions of the day. It is such an intense yet pleasurable moment: colours, lights reflecting on the headrest and the leather seat near the window. If only I could stop time right now - this is just the way I had dreamt it.

El día ha sido intenso, llamadas, reuniones, problemas, soluciones, pero en el despacho encuentro la atmósfera necesaria para realizar mi trabajo con la mayor precisión, sentarme en el sillón, sentir la madera de mi escritorio son sensaciones que me inducen al trabajo bien hecho.

It has been an intense day of calls, meetings, and problem solving, but I have the right atmosphere in my office in order to complete my work with attention to detail. Sitting in my chair and feeling the wood of my desk are sensations that motivate me to do a job well done.

SUPREME LUXURY EXPERIENCE

SINCE 1893

Me he puesto elegante y me siento guapa, tengo un buen plan, he invitado a unos amigos a tomar café en casa y luego iremos a la ópera, disfruto de este momento en el que voy a compartir mi salón que guardo para estas ocasiones y lo contemplo con la misma satisfacción que el día que lo estrenamos, hoy volveré a disfrutar del momento que pasará a ser un bonito recuerdo.

I have dressed up smartly and I feel attractive. I have made great plans; I have invited some friends over for coffee before we head off to the opera. I rejoice in this moment, as I am about to share the living room used on these occasions. I contemplate my living room and feel the same satisfaction I felt on the first day.

Today I will enjoy this moment, which will live on as a pleasant memory.

SUPREME LUXURY EXPERIENCE

SINCE 1893

La tarde ha sido apasionada, paseo por Bond street y unas compras, terminando con un buen café. Ha llegado la hora de la recompensa, tenemos ganas de llegar a casa, ponernos cómodos y encontrarnos con nuestros objetos más preciados e íntimos que nos reconfortan y son parte de nuestras vidas.

It has been an afternoon full of passion. After a stroll down Bond Street followed by some shopping and ending in a nice coffee, the time has now come for the final reward. We cannot wait to get home and make ourselves comfortable, to enjoy our estate and to find ourselves with our most prized, intimate and comforting possessions, which are part of our lives.
